Post General (10/14 -11/22/10)

Please be advised this report has been amended to correct the partnership attribution for McDonald Carano Wilson LLP to reflect: George Ogilvie and John Frankovich.

Additionally, please be advised that we discovered an error which inadvertantly omitted ten contributions (two itemized only) and two refunds during this reporting period. This has been corrected and these are now reflected on this amended report. These were received by the campaign on 11/2/10 and accordingly posted to the General 2010 cycle.

At this time our committee believes to be in compliance.

Sincerely,

Chrissie Hastie
